**Absent:** Jodi Dart, Anna Krug

**Guests:**

Yvonne Neale was the guest coach

**Treasurer's Report:**

Julie Stice gave the treasurer's report and plans to send the budget information for the new club year to all the board members. The club has been paying the SOI storage which needs transferred from SOI to the club. Buffy will send an email to Vicki Thomas with this request.

**SOI:**

Buffy has received an email from Vicki Thomas regarding SOI which included an attachment sent to each parent/skater regarding costs involved with SOI 2020 so a decision could be made about a family reimbursement. The board decided to reimburse and Tricia will send her a check. As far as the next SOI the show numbers will depend on choreographers available and skaters who are members of the club as of the new club year. Vicki knows Missy and Ginnie are not choreographing the next SOI. Mark might be able to take on more, she's not sure.

**Guest Coach:**

Yvonne said there would be a summer exhibition either in-person Sunday, July 18 or virtual depending on what Bruce allows with the audience restrictions. Yvonne requested for the club to pay for skaters to swim at the Nelson Center pool and have a Spirit Week. There was a discussion about charging a fee for solo and group participants to offset the ice costs since the club doesn't have much income right now.

**Pictures/Logo:**

Tricia said there are still members who need to turn in pictures for the front entry board. The board also suggested updating the bulletin boards the club has inside the Nelson Center. Lisa Beja, Tricia Kulmacz and Julie Stice offered to help update the boards.

Elaine asked about updating the SFSC Club membership posters and brochures. Lisa Beja will be making those updates.

Lisa is waiting on the club to decide on their choice for a new logo. She will put together the remaining options to refresh everyone's memory and submit them to the board at the next meeting.

The meeting ended and was adjourned at 7:00 p.m.
