SFSC Board President– Jodi Dart

Thank you for the opportunity to serve as president of this great club.

As I embark on this exciting journey, I want to acknowledge the past leadership, each of whom has contributed their gifts to keeping the club growing and strong. I especially want to thank Elaine Knauer and Buffy Lael-Wolf whom I had the great fortune of serving under their leadership.

The Board is excited to provide the quality programming our skaters have come to expect, while exploring new opportunities to grow and serve our members. We are committed to working together to fulfill our mission: support and encouragement for the advancement of each individual's goals & interests in order for them to reach their fullest potential. To start, we are hosting a Fall Fling Competition and a skills development clinic. Look for information to be posted on our Facebook page and website (www.sfsc4u.com) soon.

I am grateful for the club's community of coaches, skaters, parents and other volunteers that give their time to the club. Without your commitment, we would not be able to provide the quality programs, events and activities for our skaters. Your dedication is much appreciated and valued.

I, as well as the other SFSC board members, look forward to the 2022-2023 season.
